RP IS GOING THROUGHT A NASTY DIVORE AND HER 5 KIDS ARE
WITH THEIR DAD THIS
WEEKEND
DAD DID NOT WANT THEM BUT WAS FORCED BY HIS LAWYER TO
TAKE THEM
RP HAS NOT HEARD FORM THEM ALL WEEKEND AND WOULD LIKE
THE KIDS CHECKED ON TO
MAKE SURE EVERYTHIGN IS OKAY WITH THEM
RP WOULD LIKE A DISPO PLEASE

(The police showed up again to find that all 5 of “her kids” were just fine. My wife’s lies about me being forced to take the children and her not hearing from them, were very typical, especially during that time frame when there seemed to be a new crime or child abuse surfacing every day. I think “DISPO” stands for disposition, which would make sense as she was gathering as much false evidence as she could for the final divorce hearings. I found out recently that my wife’s mother was put in a mental institution at about the same age for similar actions and that this kind of behavior runs in the family. I reported this false report and the false report just before Christmas in detail to the CFI.)
